SXM TO THE WORLD

THE ARTIST

MORE THAN JUST MUSIC

DJ Yinka is a DJ and cultural curator whose sound lives at the intersection of Afro House, Amapiano, and global dance music.

Her sets are driven by rhythm, blending African percussion, soulful house grooves, and bass-heavy Amapiano to create a sound that celebrates the diaspora while pushing dance music forward.

With an ear for storytelling through music, DJ Yinka builds journeys on the dance floor — moving seamlessly between deep house, Afro rhythms, and global sounds.

Whether performing at intimate lounges or high-energy nightlife venues, DJ Yinka creates an atmosphere where culture, rhythm, and movement meet.

Her mission is simple: connect people through rhythm and create unforgettable dance floor moments.
